“To be A humble Drop”

A DROP
FOUNDATION

《成为一滴谦卑的雨滴》

To be like Water
Start from A Drop
Life can be comprehensive and rich
but, is just a drop in the ocean
With curiosity, with resilience, with efforts
Consequently
constant dripping water wears through the rock
And
humble vast ocean embraces streams to its tide
Until to be greatest virtue
the highest good
is like water
To serve
to moisturize things in silence with peace
Just to be a humble Drop.

- A message from the Founder of Foundation

为了融于水
先成为一滴雨滴
生命的丰富、不易
但,也是沧海一粟
带着好奇心和韧性,为之万倍付出
因为,它也可滴水穿石
也可,海纳百川
直到,上善如水
润物,也、细无声
成为一滴谦卑的雨滴
